

DISTRICT 2E2 NEWSLETTER AUGUST 2017

2017/2018 District Governor

CHARLIE BETHARDS

Charlie's Chat

Aug '17

The 100th International convention was held in Chicago, 6/30 – 7/4, and was a well-attended Centennial celebration (Lions 100th birthday). There was a plethora of well recognized, if ageing, speakers and entertainers, which most Lions enjoyed. This along with many seminars and a large LCI presence and old friends made the International Convention well worth attending. Anyway, as noted last month, we have wrapped up the 2016-17 Lions year and are kicking off a New Century of Service. Lions are expected to continue growing on a worldwide basis, which bodes well for the Lions purpose and goals, Service, i.e., more hands, more service.

We are hearing more about focusing on Service with LCI Forward and the overall objective of being the clear service leader worldwide with a specific service goal of 200 million serviced per year by 2020-21. The new service goals triple current service levels and will necessitate more Lions with a goal in the 20-21 timeframe of 1.7 M lions. LCI Forward also expects to offer self-improvement courses and thus train up to 500K lions per year with various leadership/self-improvement courses. These goals and supporting plans are expected to increase visibility of Lions, enhance and focus service efforts, increase organizational quality for Lions clubs, Districts, and organizations and increase the markets Lions appeal to and enhance the value/satisfaction from the Lions experience.

Turning to District 2-E2 and our July experiences, we held our first cabinet meeting with 110 in attendance with some 9 training and informational seminars offered. We had a great lunch with good presentations and all followed by a fairly active cabinet meeting. Many thanks to the Colleyville Lions Club for the lunch preparation and hands on help. We have also been recruiting Lions for a Frisco New Century Lions Club and currently have 24 lions signed up. We expect this club to charter in the first few days of August (last day of July?). Aside from the Frisco club, we have added 21 members and dropped 154 lions including two clubs with 40+/- members that have turned in their charters. I expected somewhere around -100 in July so we are close, counting the new Frisco club. I thank the clubs who waited until July to drop their members who were on the roster in February. This helped 2-E2 have positive membership growth for the 8th straight year.

As some of you have heard, one of our main goals for the 2017-18 Lions year is increasing our service capacity, i.e., increase our membership, i.e., more Lions more service. I want us to grow our District by 150 Lions or 7% during this year. If we grow at 7% for the next 10 years we are at the population levels of 25 or so years ago. To do that, we need to sign up for club level net growth goals (avg. 2%, including recruiting and shut the backdoor) and add additional new clubs. With all District 2E2 Lions we will work on club rebuilding, club recruiting, club retention, and new club chartering. We plan on adding new clubs, including specialty clubs, campus clubs and normal clubs (as many as 9 new club total).

As said before, when we add new Lions, we also assume the task of welcoming, orientating and training these new Lions, all pursuant to getting them assimilated, integrated in or involved in their new club, e.g., actively assisting with service projects and feeling some ownership in doing so. If we fail to make the new Lions feel welcome and satisfied we have a good chance of them leaving after a while. We must make sure our Lions are somehow getting value/satisfaction out of being a Lion. I want us to reemphasize the role of Member Ship Chair and help these chairs address ensuring that our members are happy and that we have a membership plan that speaks to retention as well as recruiting.

A couple of reminders, please make sure that you file the MMRs and SARs and submit your Secretary Excellence Award forms to me as well as the Club and Presidents Excellence Award forms to IPDG Tom. Our 2E2 motto or battle cry for 2017-18 is **Lets Serve**. I was looking for an expression that connoted a 'bias to action' and recalled LETS ROLE overheard by the wife when spoken by the husband who was on the 9-11 plane that went down in Pennsylvania. After a translation to Lion-ish, this became **Lets Serve**. I am humbled, honored and privileged to serve as your 2E2 District Governor as we begin our second century of service.

LETS SERVE,
DG Charlie Bethards

2017/2018 VDG

Pete's Notes

The Lions Club new fiscal year is in full operational mode. Gov. Charlie opened his first cabinet meeting on July 22, in Colleyville, with PID Beverly Stebbins administering the oath of office for all District officers and members appointed to factually responsible positions of the district. Gov. Charlie's team is in full gear and pushing ahead to achieve a very successful year, with your help and support.

The morning session offered training for club presidents, secretaries, treasurers and zone chairs. IPDG Tom Hanford provided a report of the 2017-2018 District performance, which showed a modest but positive membership growth of 18 new lions through the end of June. This growth was short lived, because in July the District shows a loss of 124 members. These losses at the beginning of the year are hard to make-up, but we have demonstrated that we can overcome this challenge.

We are all responsible for retaining members, as well as recruiting new members. Positive attitudes, tone and manner of speaking to each other, willingness to work together and help our friends and fellow Lions results in achieving a flourishing Club. I cannot stress the point enough, that member retention and recruit is the key to our success. More hands to help carry the load. We can't form new clubs fast enough to maintain and increase the district membership. IPID Joe Picone said, "Get Em' and Keep Em'". If a club has to drop a member, recruit 2 more. We as Lions must change with the times; we must learn how to reinvent ourselves and reshape public opinion and improve our visibility in the public eye. Does your Club have a website, e-mail, Facebook page, a Club newsletter, and newspaper coverage?

Strong and well coordinated leadership at all levels of our Organization is necessary in order to ensure that our service projects are accomplished smoothly and effectively with the right number of persons performing the tasks at hand. Club leaders should consider finding ways to provide members a thorough understanding what Lionism is and the Club's primary service programs. "WE SERVE," that is what we are about! Our District Global Membership and Leadership Team are ready to assist with this. Club leaders notify your zone chair of your needs. Utilize the resources available.

Lions have been challenged by our new Lions Club International President, Naresh Aggarwal, to serve 170 million people worldwide. This translates to: every Lion serve 10 people each month. If this happens, Lions will serve 170 million this year, which is a big increase from our current level of 100 million people. Are we, up to the challenge? Of course we are!

Club Information: Please note and adjust your club budgets to reflect the dues increase in the district dues for 2-E2 administration of \$1.25 per YEAR per member. LIONS QUEST was added to the 100% donation section which \$2.00 per person per year. Please have the Clubs prepare to file IRS returns. The filing is due by Nov. 15, 2017. Now is the time to file for the Club Excellent Award, and the 100% Secretary Award. Both awards must be approved by IPDG Tom. The Lions New Year is here and we are still celebrating the 100 year of Lionism for another year.

LET'S SERVE!
Lion Pete, 1st. VDG.

Santa's List

It's been a couple of busy months since getting elected at our district convention in Bedford in April. I attended the MD2 Convention in San Antonio in May. I met with 14 of the 16 other 2nd vice district governors representing the 16 Texas districts. Our council is led by Council Chair Nancy VanAlstine from Marshall. I spent some time with Nancy in Mansfield in June and Frisco in July helping 2E2 organizing two new clubs. Nancy is also the liaison from LCI for starting new clubs. While in San Antonio our council picked out our uniforms for the next three years.

We need new clubs and members to work toward our new LCI goal of servicing 200 million people a year by 2020 – 2021. It is vital that our clubs plan service projects and membership goals to achieve our objective of service to our communities and world. People become members of Lions Clubs to have **FUN** serving others. Let's find a way to put the **FUN** in our meetings and our service projects!

Don't forget the following dates:

August / September	Zone Meetings	Presidents / Secretaries please attend these important meetings
September 21 – 23	USA / Canada Forum	Portland, Or Great Training
October 5 – 7	Texas Centennial Celebration	Dallas, TX
October 28	2 nd District 2E2 Cabinet Meeting	Azle, TX

It's late July and I'm thinking about packing for our three day meeting and training in Kerrville starting August 3. It will be my first Council of Governors meeting and getting to go the closing ceremony for Texas Lions Camp. This will be a great experience for Lion Debbie and me.

Our Motto is 'We Serve' so as DG Charlie says 'Let's Serve'

Success means, we go to sleep at night knowing that our Talents and Abilities were used in a way that Served Others

Centennial Service Challenge

For nearly 100 years, Lions have served their communities with dedication and contributed to the development and well-being of millions of people around the world. As Texas Lions look toward the centennial celebration to be held in Dallas, Lions across the state are encouraged to help reach the Centennial Service Challenge goal of serving 100 million people by June 2018 by planning projects through the following Centennial Service Challenge Campaigns:

Engaging our Youth (August): Invite Leos and youth in your area to help organize and participate in a service projects. Projects may include school or community facility cleanups or a visit to a home for senior citizens or a children's hospital. Allowing youth to develop and lead a service project enables them to learn skills while emphasizing the role of service

Sharing Our Vision (October): Plan vision health projects and work with the visually impaired. Many Lions already celebrate World Sight Day in October. This is a great month to organize a vision screening, volunteer at a nearby Lions Eyeglass Recycling Center, organize an eyeglass collection or an activity to benefit the visually impaired in your community.

Relieving Hunger (December/January): Organize food drives and projects to feed the hungry. With the downturn in the global economy, many hunger relief organizations are finding it difficult to keep up with demand. Help alleviate hunger by planning events around the end and beginning of the calendar year to collect and distribute food.

Protecting The Environment (April): Implement projects that improve and protect the environment. Organize a highway clean up, plant trees or plan a community "Earth Day" event to collect recyclables such as aluminum cans, plastic bottles, used cell phones and batteries.

Engaging Our Youth

Southlake Centennial

Lion Mike Kendall attended the 7/1 graduation ceremony of two children our club sponsored to attend the Texas Lions Camp. He video taped the event and his talented daughter pared it down to the video below. Also attached is a Facebook photo comment of the mothers of the children!

Sherman Noon

The Club hosted 40 JC Hyer Campers for lunch on July 5. Lions Barbara Sloan and Marty Richardson were the staff nurses during their week-long visit. The campers enjoyed boating, tubing, and skiing on Lake Texoma and attended Three Dog Night Concert at "Lights on the Lake" while visiting Sherman.

Northwest Tarrant

NWT donated \$300 to their sponsored Special Needs child to aid in transportation fees to and from Kerrville.

Glen Rose

Members traveled to the TLC to serve lunch to the group attending camp that week

Azle

On July 23, 5 Lions provided refreshments to the children and their parents processing in at TLC where 200 campers were registered and processed in. They made sugar-free snow cones and passed out bottled water to campers and families.

Members of the Ale Lions Club and volunteers from the Azle PD and Servolution placed school supplies in 610 backpacks for the school children of Azle.

White Settlement

The club donated \$250 towards the purchase of bicycle helmets for children.

Pantego

Provided popcorn and drinks for a movie showing in the park.

Northwest Tarrant

Lion Chris Gregory shared his morning reading books to children at Chic Fil A in Lake worth. Over 50 children stopped by to enjoy some great stories with Chris.

Aledo

Participated in the Special Needs Fair at Aledo ISD.

Sponsored 3 Special Needs children to attend TLC.

Assisted in church sponsored VBS.

Argyle

Two lions participated in a charity car event for the Denton County Children's Advocacy Center in Lewisville.

Arlington Greater Arlington

Donated \$500 for community outreach.

The Colony

Sponsored a camper at TLC.

River Oaks

We have a brand new Girl Scout Troop meeting in the Boy Scout hut located on our property. They are meeting every Wednesday.

Diabetes Service Activities

Northwest Tarrant

NMT donated 100% of monies to

LCIF and volunteered 32 hours at summer camp for diabetic children

MISC.

Glen Rose

Glen Rose President Max Bly inspects the Lions logo on one of two new vans the GR Lions helped to purchase for the GR Medical Center's Senior Care program. As its Legacy project the club contributed \$8000 and partnered with the United Fund and the Roger Marks Foundation to make the purchase possible. The vans will serve a four county area and assure the availability of mental health care to the elderly, including those who can no longer drive.

Grapevine

Lions in Chicago

Relieving Hunger

Pantego

Club members donated time to distribute meals and to collect, sort, and distribute food pantry items.

Grapevine

GLC feed over 100 children who might not receive lunch during the summer. The event was through GRACE "Feed Our Kids" summer program.

Northwest Tarrant

Lion Michelle Greco donated canned goods and dry good to the Tarrant Area Food Bank

The Colony

One member picked up donated food at a local restaurant for a food pantry and one member volunteered at the food pantry

Cleburne

Delivers Meals on Wheels to the elderly in Cleburne

Environment Service Activities

Roanoke

The Roanoke Lions are now responsible for the bi-monthly trash pick.

Northwest Tarrant

Lion Tim Mattheus and his wife rounded up numerous volunteers to help pick up trash
